Job Description – Greenkeeper

The Royal Dublin Golf Club, founded in 1885, is a traditional private members' golf club which also caters to overseas visiting golfers. The Greenkeeper is to carry out routine golf course maintenance tasks as directed by the Links Manager and his Deputy.

The role will consist of, but is not limited to, the items outlined below.

Responsibilities of the Greenkeeper

- Mowing of turf (fairway, surrounds, greens, and rough) using tractors, ride-on machines and specialist hand mowers.
- Setting up the golf course each day for play including the layout of the course e.g. tee marker placement, and cutting of new hole locations.
- Using environmentally friendly treatments to control weeds, fungal diseases and pests when instructed to do so by supervisors or management.
- Use of mechanically propelled vehicles such as tractors, top dressers, utility vehicles and sprayers
- Maintain good standards of health and safety for self and others.
- Complete any training that is put on by the Club.
- Renovating and maintaining bunkers and other hazards such as water features.
- Hand watering of turf when required.
- All other greenkeeping related duties and any tasks requested by the Links Manager or Deputy.

Requirements of the Greenkeeper

- The ability to work as part of a team and on one's own initiative.
- Candidate must possess a good attitude towards learning new skills.
- To be available for work Monday through Sunday.
- Excellent time keeping and an understanding of how a golf course should be presented are both key requirements.
- Ability to work outdoors for 12 months of the year.
- Full driving license.
